

## Angle Grinder 125mm 650W RD-AG34

Art. number: **020136**

Barcode: **3800123162466**

- ✓ Spindle Lock
- ✓ Auxiliary handle

### TECHNICAL FEATURES

| Parameter                      | Measure Unit | Value                    |
|--------------------------------|--------------|--------------------------|
| Shaft locking                  |              | NO                       |
| Internal bore diameter (mm)    | mm           | 22.2                     |
| Disc diameter (mm)             | mm           | 125                      |
| Cable length (m)               | m            | 2                        |
| Maximum no- load speed (min-1) | min-1        | 0 - 11000                |
| Rated input power (W)          | W            | 650                      |
| Rated voltage (V)              | V            | 230                      |
| Soft start                     |              | NO                       |
| Adjustable load speed          |              | NO                       |
| Auxiliary handle               |              | NO                       |
| Electric motor type            |              | Brush                    |
| Rated voltage type             |              | Corded - Electrical Grid |
| Filter                         |              | NO                       |
| Quick- locking nut             |              | With A Key               |
| Protection class               |              | II                       |
| Spindle thread                 |              | M14                      |

### EQUIPMENT

|                   |       |
|-------------------|-------|
| Key with two pins | 1 pc. |
| Guard             | 1 pc. |
| Extra handle      | 1 pc. |
| Spare brush set   | 1 pc. |
