

## Dust Collector 1200W 55L RD-DC02

Art. number: **059909**

Barcode: **3800972033337**

- ✓ With its 1200W motor, the "RD-DC02" provides powerful suction, making it ideal for cleaning sawdust, metal shavings and other industrial waste
- ✓ Multi-stage filtration with HEPA filter: "The RD-DC02" dust collector is equipped with an advanced filter system that includes a HEPA filter that traps even the finest dust particles
- ✓ The metal tank guarantees long-term operation and resistance to mechanical damage
- ✓ The hose has a diameter of 100 mm, which allows the passage of larger waste, and its length of 2 meters gives flexibility in operation

### TECHNICAL FEATURES

| Parameter                      | Measure Unit | Value                    |
|--------------------------------|--------------|--------------------------|
| Hose aperture diameter (mm)    | mm           | 100                      |
| Hose length (m)                | m            | 2                        |
| Bag capacity (l)               | l            | 55                       |
| Maximum no- load speed (min-1) | min-1        | 3500                     |
| Rated input power (W)          | W            | 1200                     |
| Rated voltage (V)              | V            | 230                      |
| Rated voltage type             |              | Corded - Electrical Grid |

### EQUIPMENT

|               |        |
|---------------|--------|
| Filter bag    | 1 pc.  |
| Hose fittings | 4 pcs. |
| Suction hose  | 1 pc.  |
