

Pressure Boosting Pump 90W 3/4" 20L/min 10m INOX RD-CWP83

Art. number: **070183**

Barcode: **3800972032231**

- ✓ The booster pump model RD-CWP82 is a high-quality device designed to increase the pressure of water and other fluids in various domestic and industrial applications. This pump is an ideal solution for systems requiring stable flow and high water pressure while maintaining low power consumption
- ✓ The pump connections are 3/4 inch in size, allowing for easy connection to standard water pipes
- ✓ The maximum flow rate that the pump provides is 20 liters per minute (L/min), making it suitable for applications where a stable water supply of moderate volume is required
- ✓ The pump is designed to work with fluids with a temperature of up to 70°C
- ✓ The pump body is made of stainless steel (INOX)

TECHNICAL FEATURES

Parameter	Measure Unit	Value
Maximum delivery rate (l/h)	l/h	1200
Maximum delivery height (m)	m	10
Rated input power (W)	W	90
Rated voltage (V)	V	230
Rated voltage type		Corded - Electrical Grid
Pump material		INOX
Suction aperture (")		3/4
