

## Aparat spalat cu presiune pe benzina 5200W 20MPa RD-GHPC06

Numar articol: **072104**

Cod de bare: **3800972010673**

- ✓ Pompa axiala autoamorsanta
- ✓ 4 diuze cu presiune
- ✓ 1 Diuze presiune mica

### TECHNICAL FEATURES

| Parameter                          | Measure Unit | Value   |
|------------------------------------|--------------|---------|
| Lungime furtun (m)                 | m            | 5       |
| Debit maxim (l/min)                | l/min        | 8.3     |
| Debit maxim (°C)                   | °C           | 40      |
| Presiune (bar)                     | bar          | 200     |
| Nivelul acustic al zgomotului (dB) | dB           | 109     |
| Putere nominala de intrare (W)     | W            | 4800    |
| Tensiune nominala                  |              | Benzina |

### ECHIPAMENTE

|                               |        |
|-------------------------------|--------|
| Pistol                        | 1 buc. |
| Furtun                        | 1 buc. |
| Cheie bujii                   | 1 buc. |
| Filtru furtun cu autoamorsare | 1 buc. |
| Picioare cauciuc              | 2 pcs. |
| Roti                          | 2 pcs. |
| Ac de curatare                | 1 buc. |
