

R20 Cordless Grease Gun 429ml 690bar Solo RDP-JGG20

Art. number: **041606**

Barcode: **3800972032002**

- ✓ Maximum pressure of 690 bar: This is an extremely high pressure that allows the machine to be used for heavy industrial tasks. The high pressure provides better efficiency when supplying lubricants even in hard-to-reach or large volumes
- ✓ 429ml capacity tank: Increased tank capacity allows for longer run times without the need for frequent refills. This is especially useful for long work sessions where a continuous supply of lubricant is required
- ✓ Takalamite is suitable for use in a variety of industries, including automotive, engineering and agriculture. It can be used to lubricate various mechanisms, such as bearings, gears and other moving parts.
- ✓ The machine comes without battery and charger
